Dr. SAHAR HALABI, MD - ACUPUNCTURIST - ORIENTAL MEDICINE

- We are proud to have registered acupuncturist, Dr. Sahar Halabi, under the Body Balance umbrella. She is an inspiration to our staff and our clients and she is an exceptional healer.
- Dr. Halabi, who is also a medical doctor, uses acupuncture to diagnose and promote health by stimulating the body's own healing powers. Acupuncture is an ancient Chinese medical system that includes the insertion of needles to help the body realign or redirect its network of interrelating energies.
- Dr. Halabi studied at the Kharkov Medical Institute and Grant MacEwan University and currently is an instructor at Reeves College, Edmonton.
